

**REMARKS**

Minor amendments are made to three claims (claims 70, 88 and 108) to correct typographical errors. No new matter is added, as is evident from inspection of the proposed amendments. Entry of the amendments is respectfully requested under 37 C.F.R. §1.312 such that the USPTO may issue the patent free from the above-noted errors and to obviate any later expenditure of resources on processing a Certificate of Correction filed after issuance.

No fees are understood to be due in connection with the filing of this Request For Amendment Under Rule 312. However, if a fee is determined to be due, authorization is hereby granted to charge Nufern Deposit Order Account No. 50-2343.

Please do not hesitate to contact the undersigned at the telephone number or email address given below regarding this matter.

Respectfully submitted,

/Peter J. Rainville/
